

Bathroom Song

One day in heaven, one in hell
You couldn't catch me till I fell
One day in peace and then it's war
Fake plastic trees and blood and more

I'll show you the way out, way back home
I know you've been waiting for too long

But I don't regret any words we said
I can hear the wind blow
Now it's time to go

We are free, yeah
You and me, yeah
Don't you know?
We can be

One time it's fine but then it's cursed
Don't tell me why I'm not the first
Some say the world is going down, down
Some day I'll tell you what I've found

I'll show you the way out, way back here
I know there's a way to make it clear

And I don't regret any words we said
I can hear the wind blow
Now it's time to go

We are free, yeah
You and me, yeah
Don't you know?
We can be

We are free, yeah
You and me, yeah
Don't you know?
We can be

You can sing this in the bathroom
While you're having a shower
While you're having a bath, yeah

Have a bath every hour
Not just every night
To make it right
To make it right
